High in Trial will be calculated looking at Qualifying Scores in the Standard and Jumpers classes. The points for each run will be calculated by adding the earned Score plus Speed. Speed is calculated by subtracting the dog's run time (rounded up) from the Standard Course Time. Points are added depending on the dog's level (Novice-10, Open-20, Excellent/Master-30). The points for the Standard run and the Jumpers run will be added together and the dog with the highest number of points overall will be High in Trial. High in Class will be awarded to the dog with the highest score and fastest time, in each class level (Novice, Open, Excellent, Masters) for Standard and Jumpers. A and B dogs will be combined. Regular and Preferred dogs will be combined.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A **SEPARATE ENTRY FORM** must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2021, For Exhibition Only may be offered at the option of the host club. FEO allows exhibitors to work with their dogs in a trial environment. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run and does not need to be signaled by the exhibitor.

JUMP HEIGHTS & MEASUREMENTS

Owners are responsible for entering the proper height division. Dogs in Preferred classes MUST jump their measured height.

Are You Entered in The Right Height? The Responsibility Is Yours.

Height at Withers	Regular Classes Jump Heights	Preferred Classes Jump Heights
11" or less	8"	4"
14" or less	12"	8"
18" or less	16"	12"
22" or less	20"	16"
Greater than 22"	24"	20"
22" or less Dogs who measure into the 24" regular jump height division may not enter 24-Choice.	24C"	N/A

If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured PRIOR to running. Please mark the appropriate box on the entry form that specifies whether your dog has a Permanent (over 2 yrs)/Temporary height card/form (under 2 yrs) or needs to be measured. All Owners are responsible for marking the appropriate box.

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if an Agility Field Representative or a Volunteer Measuring Official (VMO) is present, ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog measured by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured PRIOR to running and failure to do so will result in the cancellation of any qualifying scores.

If a dog is measured by an AKC Rep. or VMO and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card, which become effective when the challenge measurement process is complete.

If a AKC Rep. or VMO measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, if the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

NOTICE TO EXHIBITORS

This trial will be conducted in accordance with the Rules for Agility Trials. Dogs qualifying at this titling event, receive credit toward their title. A recording fee is included with entry fees. Fees must accompany entries.

ELIGIBILITY: This trial is open to all dogs 15 months of age or older that are registered with the AKC, or have a limited registration, or are of a registerable breed that have obtained a PAL, or ILP number from AKC, except bitches in season, aggressive dogs, blind dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are eligible to compete. Wherever the word "dog" is used in these regulations it includes both sexes. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Puppies under four months of age are strictly prohibited from the trial grounds.

ENTRIES AND REFUNDS: Exhibitors are responsible for complete, accurate and legible information on their signed entry forms. Entries are taken on a first received basis. A returned check will invalidate an entry and a \$30.00 service fee will be charged regardless of circumstances. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis for all FRAAD events. Telephoned, Faxed, or unsigned entries cannot be accepted. Entries not on official AKC entry forms and photocopies of entry forms without the agreement and rules on the reverse side of the official AKC entry form are not acceptable. No entry shall be made, and no entry shall be accepted which specifies any conditions to its acceptance. Entries sent via express mail service, must be indicated "NO SIGNATURE REQUIRED."

Entries cannot be accepted, cancelled, altered, or substituted after the entries have closed except as provided for in chapter 14, section 6 of the Dog Show Rules. Changes, additions, or corrections to entry forms must be received in writing or email prior to the close of entries. Those received by telephone are not acceptable. There is no refund for duplicate entries. We will make every effort to find all duplicate entries, but if the entry has been processed, no refund will be made.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, and barred from competition by action of the Trial Committee. Overpayment of entries \$5 and under will not be refunded. Bitches in season are not permitted at the trial. Entry fees for bitches who come into season before these trials take place will be refunded provided the Trial Secretary receives notice in writing or thru email 30 minutes prior to the start of judging. A \$5 per day handling/recording fee will be withheld for entries withdrawn due to a bitch being reported in season. Withdrawals due to injury or illness of dog after the closing dates are eligible for a 50% voucher for future entry, provided a veterinarian's letter is provided within one week of the trial. In such instances the secretary MUST be notified by letter or e-mail, no later than Thursday, May 29, 2025 at 8:00 am. False reports warrant refusal of entries at future FRAAD trials. Any other withdrawals after the closing date will not be eligible for refund. No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, violent acts of nature, extreme weather, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

SAFETY, BEHAVIOR, LIABILITY: FRAAD may decline any entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness or other cause, and no one shall have any claim or recourse against FRAAD or any official thereof. Front Range Agility Association of Denver (FRAAD), their agents, employees, etc., assume no responsibility for any loss, damage, or injury sustained by exhibitors, handlers, or their dogs, or property and further assumes no responsibility for injury to guests and/or children. Please, no baby strollers on the trial grounds.

Safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and are able to perform all of the obstacles safely. All dogs must be on leash at all times except when in the ring or the designated warm-up area. It is expressly understood that the exhibitors alone are responsible for the behavior of their dog(s), guest(s), and children. Any exhibitor whose dog(s), guest(s), and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the trial site. In such case, no refund of fees paid will be made.

All regulations governing the use of this facility, and all regulations and decisions of the trial committee at this trial will be strictly enforced, including and not limited to the recorded information of this premium list.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule. The owners or handlers of each dog are solely responsible for being ready at ringside when the class is to be judged. The trial giving club and the Trial Secretary have no obligation or responsibility for providing service runners or public address system for the purposes of locating or calling dogs that are not brought to the ringside when required.

This club does not agree to arbitrate claims as set forth on the official AKC entry form for this event.

"Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations."

For exhibitors coming from out of state, please remember you are coming to a higher altitude, which can affect health.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
